How to play:

Number Word Dominoes

YOU NEED:

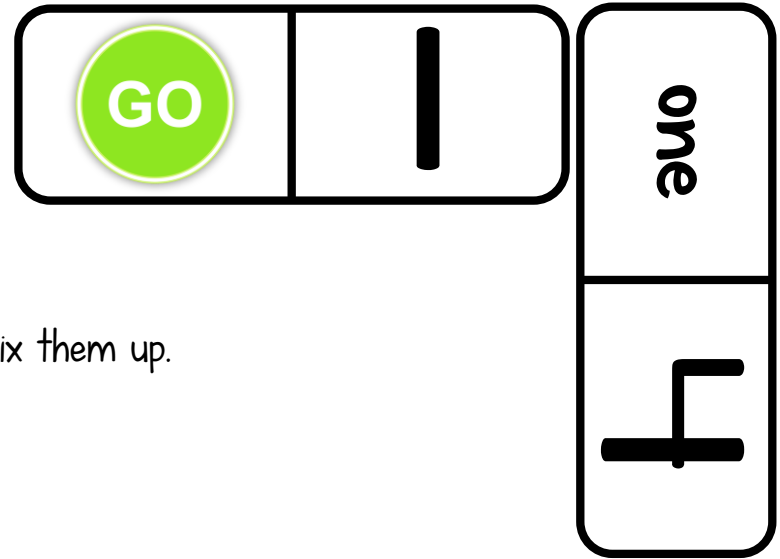

- ✓ 1 set of dominoes
- ✓ 2-4 players sitting in a half circle

SET UP:

- ▶ Find the "Go" domino and lay it on the table face-up.
- ▶ Put the other dominoes face down on the table and mix them up.
- ▶ Each player takes 5 dominoes.
- ▶ Don't let the other players see your dominos.

HOW TO PLAY:

- ▶ All players look to see if one of their dominoes matches the other end of the "Go" domino. If no one has that domino, everyone draws 1 domino from the pile and tries again.
- ▶ When someone lays down a match to the "Go" domino, play moves to the left. When it is your turn, look in your hand and see if you can play a domino. If you can't play a domino, draw a domino from the pile and let the next player have a turn.
- ▶ Continue taking turns putting dominoes on the board (or picking one from the pile if you cannot go) until someone lays down the domino with the "stop" sign.
